- Powerful clinging toilet cleaner & descaler
- Designed for daily use
- Safe on all toilet surfaces

Lyreco Code 21717919

Directions for Use

Toilet Bowls:

Flush toilet before applying product.

For an even application, lightly squeeze the container while directing the nozzle above the waterline and around the rim.

Leave for 2 minutes to allow the product to breakdown deposits before agitating with a brush.

Flush the toilet to remove any remaining residue.

Repeat application as required. Do not use/mix with chlorine based products.

Urinals:

Apply directly to the surface and agitate if needed

Leave for appropriate contact time on stubborn deposits.

< 5% • Anionic surfactants • Cationic surfactants • Perfumes

Harmful to aquatic life with long lasting effects.

Avoid release to the environment. Dispose of contents/container in accordance with local regulation.
