Door Runners, Keys and Feet:	Plastic

Product Dimensions

Logistic Information

Selling Unit of Measure:	EA
Product comes in:	1 Box
Carton Size (in cm):	106x99x15
Net Weight (in kg):	21.5
Gross Weight (in kg):	23

Warning Instructions

1. Load Capacity

- Do not exceed the maximum shelf load (50kg) or overall weight capacity.
- Place heavier items on the lower shelves to increase stability.

2. Tipping Hazard

- Always anchor tall cupboards to the wall or floor if recommended.
- Do not climb, sit, or stand on the cupboard or shelves.
- Avoid pulling on the doors or using them for support.

3. Safe Use of Doors

- Open only one door at a time to prevent imbalance.
- Ensure doors are fully closed after use to avoid accidents or obstruction.
- Do not hang objects on the doors or handles.

4. Fire & Chemical Safety

- Do not store flammable, explosive, or corrosive substances unless the cupboard is specifically designed for that purpose.
- Keep cupboard away from direct heat sources and moisture.

5. Children & Misuse

- This unit is not a toy. Prevent children from climbing, hanging, or hiding inside.
- Improper use may result in tipping, injury, or damage.

6. Maintenance & Inspection

- Regularly check that shelves, hinges, locks, and fasteners are secure.
- Replace damaged or missing components immediately.
- Keep the cupboard clean and free from obstruction to ensure safe operation.

Cleaning Instructions

1. Use a soft cloth dampened with warm water and mild detergent. Dry with a clean, dry cloth to prevent water spots or streaks.
2. For stubborn stain use hot, soapy water or a non-abrasive cleaner suitable for metal surfaces.
3. Avoid harsh chemicals and abrasive sponges or steel wool, which can harm and scratch the surface.
