

50 HEAVY DUTY LIQUID DEGREASER

Description

Heavy duty multi purpose cleaner for water resistant hard surfaces.

Features and Benefits

Removes the heaviest residues of grease, oils, fats vegetable oils from floors, walls and other work surfaces.

Can be used to remove heavy build up of solvent based waxes and emulsion based floor polishes.

Heavy Duty Liquid Degreaser is an optimal blend of non-ionic surfactants, alkalis and sequestrants.

Effective in all water conditions.

Economical in use.

Unperfumed & non-tainting.

Suitable for use on stainless steel, laminate, tiles, paintwork and other surfaces generally found in kitchens.

Use Instructions

General cleaning

Heavy soiling – dilute 1:25 with water.

Light / Medium soiling* – dilute 1:100 with water.

Spray or mop onto the surface.

Depending on concentration used and degree of soiling leave for up to 30 minutes before rinsing off with clean water.

Polish removal

Dilute with 20 parts of warm water, apply using a mop. Take care not to over wet the surface.

For best results use a floor scrubbing machine fitted with a black stripping pad, remove polish build before rinsing with water. Allow the floor to fully dry.

Safe handling and storage information

Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.

Store in original container.

Avoid extremes of temperature.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

50 HEAVY DUTY LIQUID DEGREASER

Technical data

Appearance:	Clear yellow liquid
pH:	>11.5 (neat)
Relative density:	1.10
Odour:	Characteristic
Solubility:	Fully miscible in water

The above data is typical of normal production and should not be taken as a specification.

Product compatibility

Under recommended conditions of use suitable for use on materials commonly encountered in the kitchen including aluminium.
