

5P ULTRA FLOOR CLEANER

Description

Multi-purpose cleaner for water-resistant hard surfaces and hard floors.

Features and Benefits

Specially formulated for the daily cleaning of all water-resistant hard floors, including anti slip flooring, quarry tiles and sealed wood.

Low foaming for fast solution pick-up and optimal recovery tank use.

Suitable for use with scrubber-driers, single disc machines and wet mopping systems.

Very economical thanks to excellent cleaning performance at low dosages.

Unperfumed product is suitable for use in all application areas including kitchens.

Use Instructions

Dilute Ultra Floor Cleaner up to 1%* with water.

Manual use

Wet mopping:

1. Add the product dose into a bucket filled with water.
2. Apply the solution, allow to act if necessary.
3. Remove the soiled solution.

Damp mopping:

1. Add the product dose into a spray bottle filled with water.
2. Sparingly spray the solution on a mop cloth and wipe.
3. Rinse or replace the mop cloth regularly.

Machine

1. Add the product dose into the full water tank of a single disc machine or scrubber drier.
2. Apply the solution.
3. Scrub and remove the soiled solution.

Safe handling and storage information

Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.

Store in original container.

Avoid extremes of temperature.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*
